WELCOME TO INCIDENTS MANAGEMENT SYSTEM

Error 1: the owner does not exist => add person information page

A screenshot of a web browser interface. At the top, there's a dark search bar with the placeholder text "Type here to search". Below it, several browser tabs are open: "Mobile Database Interface - x", "coursera-2", "x | portal1 - Google", and "Document". The address bar shows the URL "https://www.coursera.org/join/portal1-google". The page content displays navigation links like "University with site", "Campus News", "University Email", "Libraries", "Your Services", and "Office 365 help". In the bottom right corner, there are links for "Home" and "Logout".

NO PERSONAL DATA EXISTS!

Please record new person information

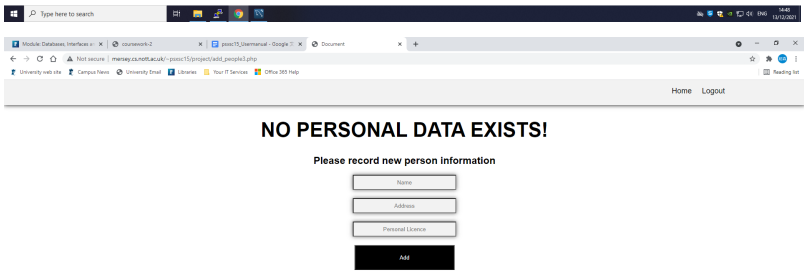

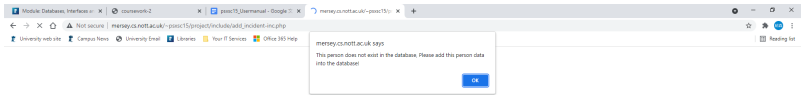

Step 8: Add new incident

The screenshot shows a web browser window with the address bar displaying 'http://localhost:3000/vehicles/1'. The main content area of the browser shows a large error message: 'Error 1: the Vehicle does not exist => add vehicle page'. Below the error message, there is a small modal dialog box with the text 'This vehicle does not exist. Please check the vehicle location.' and a blue 'OK' button. The browser's developer tools are open at the bottom, showing the 'Network' tab with a 404 error from 'localhost:3000'.

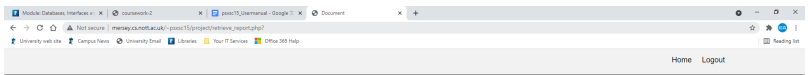

The screenshot shows a web browser window with the address bar displaying 'https://localhost:3000/vehicles'. The page content includes a header with 'Home' and 'Logout' links. The main section is titled 'ADD VEHICLE' and contains a form with five input fields: 'Vehicle License', 'Type', 'Vehicle Colour', 'Vehicle Owner', and 'Add'. The 'Add' button is highlighted in black.
